

## Man with a Mission & People with a Purpose

We met Pastor Kim several years ago in Hawaii. It was a Divine meeting that has been a great blessing. What a giant man of faith! Last year he told us about his vision and mission to hold an International Holy Spirit conference in Honolulu. We just completed that conference with him and had a celebration dinner with many of the volunteer staff and pastors. What an amazing move of God and unifying force in the Church. In all, there were sixteen speakers from several countries and anointed interpreters like John with pastor Cho below. There were also many music-worship groups and shofar blasts into the spiritual realm.

There were huge obstacles and opposition from some church leaders who didn't want this to happen or didn't think he had the right authority or covering for it. But when God calls one to move out the results are amazing. About eight hundred people came and they came from Korea, Philippines, US Mainland, Scotland, and others!

Here are some sample pictures for you! It is impossible to give you the full picture. Thanks to all who gave and prayed for us to be able to be a part of this World-Impacting Event. There will be other events like this, perhaps you can attend the next one!

 NEWS LETTER

Pastor Jae Won Kim

## A good report - The "Mission Impossible" is complete!

*All I can say is thank you, God, for what you have done in The World Holy Spirit Ministry International Conference on Oct. 23-25, 2011. We saw your glory was there and the works of the Holy Spirit were with us throughout the conference. We are the witnesses of what You have done. It was an awesome conference and it ignited a fresh fire in every individual who participated, and giving a new vision to all of us of what to do in the future.*

*Amen, Pastor Kim*

Dear Friends and Volunteers,

We have realized that God has a bigger plan than we can imagine. God has a wonderful blue print for our future. Throughout the conference, everybody was honored, transformed and elevated in the spiritual remarkably. God gave us new hearts and new spiritual strength, so that we may do God's work like a lion and to carry His mission like an eagle. God has made us as His new Army, His Soldiers, His warriors! We need to march together and to infiltrate the enemy's camp as one in Christ—fully united! This conference was so meaningful and significant to everyone who experienced the presence of God and His mighty work.

I must thank all you volunteers who worked hard and sacrificed of yourselves in time, effort and contributions. Without you, we could not have accomplished this conference successfully. God chose you and called you for His purpose. He revealed His plan through you and will use you mightily for His glory again.

I am already starting to prepare next years' conference. I believe we can do a greater work next year. Let us march together and possess the promised land. We are conquerors. We are His warriors unto victory. May God bless you abundantly.

Thank you all,

Jae Won Kim
